

INFORMATION

FOR CANDIDATES ADMITTED FOR THE SECOND-LEVEL STUDIES (in English)

Due to the COVID-19 pandemic, summer semester (2020/2021) classes will be conducted **remotely**.

THE INTRODUCTION DAY

for foreign students is to be held remotely on February 24th, 2021 (Wednesday) at 13:00. During the meeting, the rules of organization of studies in the current epidemic state, rules of study based on the Study Regulations and other important information on formal matters related to the start of studies will be given. Students will be given a link to the meeting before the 23th of February 2021.

Organisational information

- ❖ Classes in the summer semester 2020/2021 at the Wrocław University of Science and Technology **starts remotely on March 1st, 2021**.
- ❖ The important information is given in <https://wis.pwr.edu.pl/en/>
- ❖ Students will be enrolled ex-officio to adequate groups according to assigned learning agreements. Changes in learning agreements may be implemented up to **2 weeks (March 14th)**
- ❖ In case of any further questions concerning studies, please contact International Academic Exchange Coordinator – **Martyna Grzegorzek, PhD Eng, e-mail: martyna.grzegorzek@pwr.edu.pl**
- ❖ Questions related to administrative procedures, please contact the Dean's Office (building D1, room 11.3, Plac Grunwaldzki 9, Wrocław) - **Marta Bartosiewicz, MSc Eng, e-mail: marta.bartosiewicz@pwr.edu.pl**
- ❖ Issues dealing with Electronic Student Card – **Zofia Gruszczyńska, MSc, zofia.gruszczyńska@pwr.edu.pl**
- ❖ Questions or problems that cannot be resolved at International Exchange Coordinator or at the Dean's Office, should be addressed to the **Vice-Dean for Research and International Cooperation** by e-mail to karol.leluk@pwr.edu.pl, with a detailed description of the problem.
- ❖ Please remember to activate and check your official student e-mail account given by Wrocław University of Science and Technology IT Service. It will be one of the main communication means among you, academic staff and the Dean's Office members.

Timetable

- ❖ Calendar for the academic year 2020/2021 is available on the website: <https://pwr.edu.pl/en/students/academic-calendar>. Please note that the semester is divided into odd and even weeks (some of the classes take place every two weeks or a switch between days may occur).

Wrocław University of Science and Technology

Faculty of Environmental Engineering

- ❖ Summer semester 2020/2021 consists of 15 weeks: **1.3-22.6.2021**. The exam session lasts between **23.6-9.7.2021**.
- ❖ Particular timetables for each student can be found after login to Education CL (JSOS) system – <https://edukacja.pwr.wroc.pl> or <https://jsos.pwr.edu.pl/>. At the beginning of the semester, each student is obliged to check the dates, place and hours when the classes will take place. More details will be given during the introduction day.

Health and safety training

- ❖ All new students of second-level studies are required to attend a health and safety training course. Students who know the Polish language may take part in it in March 2021 via the Internet using the e-learning method on the website: <https://ohs-training.pwr.edu.pl/>. The course for Polish students will take place between **3.3-31.3.2021**. Detailed information can be found on website <https://szkoleniebhp.pwr.edu.pl/>. Course schedule for foreign students will be available at: <https://eportal.pwr.edu.pl/course/index.php?categoryid=318>
