# Educational platforms

According to University and Faculty Authorities decision, official platforms used for didactic aims are **ZOOM**, **MS Teams** and **ePortal PWr**.

# ePortal PWr (www.eportal.pwr.edu.pl)

The screenshot shows the login page of the ePortal PWr. The browser address bar displays "eportal.pwr.edu.pl/login/index.php?lang=en". The page header includes "ePortal PWr" and navigation menus for "Category", "Educational resources", "News", and "English (en)". The main content area features a large image of a building facade on the left and right. In the center, the text "ePortal PWr" is displayed above the Politechnika Wroclawska logo. Below this, a dark grey banner reads "ePortal-the WUST e-learning platform". A "Login options:" section follows, with two choices: "JSOS users" (accompanied by a JSOS logo and a note that all students and academic teachers have a JSOS account) and "Other users" (accompanied by a platform administrator logo).

5	The course is passed.
4.5	The course is passed.
4	The course is passed.
3.5	The course is passed.
3	The lowest positive note. The course is passed.
2	The course was not passed

# Learning agreements

Changes in learning agreements may be implemented till  
**17 October 2023!**

# How to implement LA changes?

- Fix the necessary changes with the departmental coordinator
- Fill the ChLA file using our form available in the account at our IRC/registration system
- When you log in into your IRC account you have to find the section “Changes to Learning Agreement”. There is the list of your LA courses of the WINTER semester.
- Send ChLA via e-mail to your **HOME** university coordinator to sign it.
- When you have it signed, upload ChLA in the IRC system.
- You get it signed by WUST coordinator in the system.
- REMOVE/ADD deleted courses from USOS in a Dean’s office (coordinators do not have authorization to implement changes in USOS system).

# USOS system

## <https://web.usos.pwr.edu.pl/>

The screenshot displays the USOS system interface for Wrocław University of Science and Technology. The header features the university logo and name. A navigation menu includes NEWS, DIRECTORY, MY USOSWEB (highlighted), STUDENT'S SECTION, STAFF SECTION, and COMMON SECTION. A sidebar on the left lists MY SHORTCUTS: SCHEDULE, CLASS G, CUSTOM SCHEDULES, USOSMAIL, STATEMENTS, PRIV, USOSWEB PREFERENCES, and NOTIFICATIONS. Two red arrows point from CLASS G and PRIV to the 'Schedule - current week' and 'Schedule - next week' sections, respectively. The main content area contains several widgets: 'Schedule - current week' (calendar), 'Quick grade' (search and reports), 'Directory' (searchable lists), 'Teacher's tests' (status), and 'Teacher's classes' (2023/24-Z Advanced Water and Wastewater Treatment Systems). A 'Schedules' button is located at the bottom right.
