Summer semester 2021/2022

Will be **led in hybrid way**

Learning system in summer semester 2021/2022

Till the March 13th 2022 (the first 2 weeks) all classes will be led in a remote form with the usage of educational platforms

From the **March 14th 2022 classes will be performed in a hybrid form** - some classes will be led in a remote form whereas other one will be led as contact lessons at WUST campus

Classes in „home-office” mode

Please check carefully your emails (**official ones** obtained from WUST IT Service) - it will be the main way of communication among you, academic staff and the Dean's Office members.

At WUST common pattern of the e-mail addresses for staff is used:

name.surname@pwr.edu.pl

Educational platforms

According to University and Faculty Authorities decision, official platforms where classes may be conducted are **ZOOM** and **MS Teams**. Each tutor is obligated to give the adequate information about the method of classes leading in remote form.

ePortal PWr (www.eportal.pwr.edu.pl)

In case of home-office mode it will be official WUST's platform for placing materials necessary to classes as well as for tests and exams execution. Information given on ePortal is also supposed to be regularly checked by students.

The screenshot shows the login page of the ePortal PWr. The browser address bar displays the URL `eportal.pwr.edu.pl/login/index.php?lang=en`. The page header includes the site name "ePortal PWr" and navigation menus for "Category", "Educational resources", "News", and "English (en)". The main content area features the Politechnika Wrocław logo and the text "ePortal PWr". Below this, a dark banner reads "ePortal-the WUST e-learning platform". The "Login options:" section provides two choices: "JSOS users" (for those with a JSOS account) and "Other users" (for accounts created by the platform administrator). A red arrow points from the text above to the URL in the browser address bar.
