# Winter semester 2021/2022

Will be mostly **led stationary (contact lessons)**  
at WUST campus

# What if due to pandemic situation some classes will be led in „home-office” mode?

Then, please check carefully your mails (**official ones** obtained from WUST IT Service) - it will be the main way of communication among you, academic staff and the Dean's Office members.

At WUST common pattern of the e-mail addresses for staff is used:

**name.surname@pwr.edu.pl**

# Educational platforms

According to University and Faculty Authorities decision, official platforms where classes may be conducted are **ZOOM** and **MS Teams**. If home-office mode will be necessary, each tutor is obligated to give the adequate information about the method of classes leading.

# ePortal PWr (www.eportal.pwr.edu.pl)

In case of home-office mode it will be official WUST's platform for placing materials necessary to classes as well as for tests and exams execution. Information given on ePortal is also supposed to be regularly checked by students.

The screenshot shows the login page of the ePortal PWr. The browser address bar displays "eportal.pwr.edu.pl/login/index.php?lang=en". The page header includes "ePortal PWr" and navigation menus for "Category", "Educational resources", "News", and "English (en)". The main content area features the "ePortal PWr" logo and the text "ePortal-the WUST e-learning platform". Under the heading "Login options:", there are two sections. The first section, "If you have a JSOS account, select:", includes a JSOS logo and a blue button labeled "JSOS users". Below this is a note: "All students and academic teachers have a JSOS account." The second section, "If you have an account created by the platform administrator, select:", includes a logo with a graduation cap and the letter 'm', and a blue button labeled "Other users". A red arrow points to the URL in the browser address bar.
